RE: In re Delphi Corporation, et al., Case No. 05-44481 (RDD)

Dear Judge Drain:

We are writing on behalf of the debtors in the above-referenced cases (the "Debtors") regarding certain objections to nonassumption of certain contracts and leases, assumption and assignment of executory contracts and unexpired leases, and cure amounts (the "Section 365 Objections") that were to be heard on August 28, 2009. Fifteen of the Section 365 Objections, filed by 12 objecting parties, have now been resolved or withdrawn, and the remaining Section 365 Objections have been adjourned to the September 24, 2009 hearing.

Because there are no contested matters going forward at tomorrow's hearing, the Debtors hereby submit the enclosed proposed order regarding the resolved or adjourned Section 365 Objections. Also enclosed are four joint stipulations and agreed orders (collectively, the "Joint Stipulations") which reflect resolutions to the objections filed by Audio MPEG, Inc. and Societa' Italiana per lo Sviluppo dell' Elettronica, S.I.SV.EL., S.p.A.; Clarion Corporation of America; Dätwyler Rubber; and TK Holdings Inc. and its parent Takata Corporation. As was

true of the initial Section 365 Objection Order entered August 18, 2009, the proposed enclosed order makes clear that the counterparties to the Joint Stipulations, as well as the counterparties whose objections have been withdrawn, are nonetheless bound by the Court's order approving the Debtors' modifications to their reorganization plan.

We respectfully request that the Court enter the enclosed proposed order and the Joint Stipulations.

Respectfully yours,

/s/ John K. Lyons

² Findings of fact shall be construed as conclusions of law and conclusions of law shall be construed as findings of fact when appropriate. See Fed. R. Bankr. P. 7052.

D. The Section 365 Objections listed on Exhibit B-1 hereto have been withdrawn and the Section 365 Objections listed on Exhibit B-2 hereto have been resolved by separate stipulations (together, the "Resolved Objections"), and all such objections are subject to all findings and conclusions and decretal paragraphs of the Modification Approval Order.

E. The hearing on the Section 365 Objections set forth on Exhibit C hereto (the "Outstanding Objections") is adjourned to September 24, 2009, or as otherwise noted on Exhibit C, subject to the Debtors' right to further adjourn such hearing in accordance with the procedures set forth in the Modification Approval Order, and any findings and conclusions and decretal paragraphs herein do not apply to the contracts covered by such Outstanding Objections.

F. Pursuant to Articles II and X of the Modified Plan, a counterparty who wished to assert a postpetition default was required to file an Administrative Claim. Accordingly, to the extent that any objections, except to the extent included in the Outstanding Objections, assert cure amounts that relate to postpetition obligations of the Debtors (the "Postpetition Obligation Objections"), the Administrative Claim reconciliation process set forth under Articles II and X of the Modified Plan and in the Master Disposition Agreement, and the Debtors' payment of Administrative Claims in accordance with the Modified Plan, the Master Disposition Agreement, and orders of this Court constitutes adequate assurance of prompt cure or will in fact cure any defaults that might have occurred after the Petition Date, including any obligation asserted in the Postpetition Obligation Objections, for purposes of assumption and assignment of the Assumed and Assigned Contracts pursuant to section 365 of the Bankruptcy Code.

G. The relief requested in the Motion and granted herein is in the best interests of the Debtors, their estates, creditors, stakeholders, and other parties-in-interest.

NOW THEREFORE, IT IS HEREBY ORDERED, ADJUDGED, AND DECREED
THAT:

1. The Resolved Objections listed on Exhibit B-1 and Exhibit B-2 shall be subject to all findings and conclusions and decretal paragraphs of the Modification Approval Order, including without limitation all findings and conclusions and decretal paragraphs approving the assumption and assignment of the Assumed and Assigned Contracts pursuant to section 365 of the Bankruptcy Code.

2. The hearing on the Motion as it pertains to the contracts covered by the Outstanding Objections listed on Exhibit C shall be adjourned to September 24, 2009 or as otherwise noted on Exhibit C, subject to the Debtors' right to further adjourn such hearing in accordance with the procedures set forth in the Modification Approval Order.

3. The notices of assumption and assignment for the contracts listed on Exhibit D are hereby withdrawn; provided, however, that nothing in this order shall prejudice any existing rights of the Debtors or the applicable counterparties under such contracts.

4. The Postpetition Obligation Objections, except to the extent included in the Outstanding Objections, are hereby overruled to the extent such objections assert cure amounts relating to postpetition obligations. Any unpaid postpetition obligations arising under the Assumed and Assigned Contracts shall be satisfied as follows: (i) undisputed postpetition obligations that are not yet due and payable pursuant to the applicable contract terms shall be paid by the Debtors or the Buyers, as applicable, in the ordinary course of business and (ii) all other postpetition obligations shall be subject to the treatment provided for Administrative Claims under Articles II and X of the Modified Plan and as set forth in the Master Disposition Agreement; provided, however, that this order shall be without prejudice to the right of

counterparties to the Assumed and Assigned Contracts to reassert their Postpetition Obligation Objections in the event that such counterparties are barred from seeking payment of an Administrative Claim under the Modified Plan; provided further, however, to the extent that a counterparty asserts an Administrative Claim relating to an Assumed and Assigned Contract that is Allowed or Disallowed pursuant to a Final Order of this Court, such counterparty shall be bound by the Final Order and shall not be entitled to assert or reassert any claim for cure under section 365 of the Bankruptcy Code.

5. Nothing in this order shall prejudice the rights of any party with respect to disputed cure amounts under Article 8.2 of the Modified Plan, except to the extent that any objection was expressly considered and ruled on at the Section 365 Objection Hearing or as otherwise set forth herein.
